COMPANY PRESENTATION

Viands is a private and independent group, founded in Brazil in 2011, that operates in the global agricultural commodities and energy market.

SOURCE

We have quota and direct allocation with farmers, producers and refineries, which allows us to consistently deliver quality products.

STORE

Our global logistics network and storage capacity allow us to supply quickly to the main ports.

SHIP

We specialize in supplying small and large quantities of commodities reliably and efficiently.

TRANSACT

Our extensive network of contacts allows us to connect with top-tier companies and banks to maintain reliable supply and transactions, prioritizing serious acquisitions while mitigating potential risks.
